

Pacific Northwest Chapter AFCEA International

Andrew Shell, Lieutenant Colonel, USAR, Ret.
Vice President of Corporate Affairs

Andrew (Andy) Shell is Vice President, Federal and a member of the executive management team at Oxford Computer Group. He manages relationships with federal clients and leads OCG's Identity Governance and Privileged Identity Management practices. He is a frequent public speaker on cyber security and identity management-related topics.

He has over 20 years of consulting experience with large enterprise clients. Prior to joining OCG, he held senior leadership roles in both large and small consultancies including Accenture and KPMG Consulting. Andy is a retired Army Reserve Lieutenant Colonel; during his Army career, he specialized in nation-state cyber threat analysis. He is a veteran of Operation Desert Storm (Saudi Arabia), Iraqi Freedom (Iraq) and Enduring Freedom (Afghanistan). He is a former Director of the U.S. Army Computer Emergency Response Team, the Cyber Threat Analysis Center, and is a Bronze Star recipient.

Andy has a B.A. in Political Science from the University of Washington and an MBA from Arizona State University with a focus on Finance and Accounting. He is also a graduate of the U.S. Army Command and General Staff College.

An active AFCEA member for many years, Andy was instrumental in establishing the Pacific Northwest Chapter. His dedication and service to our chapter and our industry has been inspirational.
