The AFCEA Pacific Northwest Chapter invites you to participate as a sponsor, exhibitor, or attendee at the 2nd Annual TechNet Pacific Northwest Symposium, taking place March 18 - 19, 2026, at the American Lake Conference Center, Joint Base Lewis-McChord (JBLM) – North.

The theme for this year's symposium is *“Data Driven Decision Dominance”*. The event will bring together experts and practitioners from across the region to explore how data-centric technologies and collaborative innovation can enhance decision-making across the Joint Force, both at home and abroad. Join us as we examine advancements in artificial intelligence (AI) and machine learning (ML), cloud computing, cybersecurity, emerging technologies at the operational edge, data management, Joint All-Domain Command and Control (JADC2), IT modernization, Zero Trust, and more.

**\*\* CPE/CEU credit will be awarded and lunch will be provided on both days. \*\***
