Benjamin Schuppel

Vice President of Membership

Benjamin Schuppel served in the US Army as a Logistics officer and is currently the President of Zero Delta 365, a service-disabled Veteran owned small business. Mr. Schuppel commissioned onto Active Duty in 2007 through the University of Maryland ROTC program and his service included tours in Afghanistan, Iraq, Korea, and Kuwait. He received a juris doctor from Pepperdine Caruso School of law in 2016 while serving on Active Duty and is an admitted attorney in California and Washington. In his spare time, Mr. Schuppel assists Veterans pro bono with military medical retirements and discharge upgrades as well as playing board games, sailing, and hiking.

Zero Delta 365, founded in 2021, is a Federal Advanced Service Team company that focuses on delivering DevSecOps, Cybersecurity, and Data Management Solutions to Federal clients using Agile methodology. We deliver CI/CD Applications, Cloud Architecture, and Big Data. As a subcontractor, our current clients include the US Army, the Department of Veterans Affairs, and the US Patent and Trade Office. Our partners include AWS, Appian, BigBear.ai, Booz Allen Hamilton, Box, CGI Federal, Insignia, Leidos, Microsoft, Pega, Salesforce, and ServiceNow.
